

THE TRWD TRINITY TRAILS GEOCACHING ADVENTURE **CHALLENGE PASSPORT**

We love a good challenge and that's why we're challenging you to find at least 25 of the 30 caches in the TrinityTrails Geocaching Adventure! Download and print this passport to document your discoveries and log your answers throughout the challenge. If you're adventurous enough and find at least 25 of the 30 geocaches necessary to complete the challenge, log them and submit your completed passport to earn an official TRWD Trinity Trails Geocaching Adventure Geocoin.

Here's how:

1. We have hidden 30 geocaches along the Trinity Trails in Fort Worth for you to find. This passport page is your proof you found each cache, so keep it dry and clean.
2. You will find a logbook inside each cache. Sign your name and date the log.
3. There will be a question on each logbook, log the answer to that question in the coordinating box on your Challenge Passport.
4. There will also be small prizes and trinkets for trade. Be sure to bring something with you and trade for something of equal or lesser value.

In order to claim your prize, please complete the form below. Completed passports can be submitted via snail mail to Geocaching 307 W. 7th Street, Suite 100, Fort Worth, TX 76102, scanned and emailed or you can snap a photo of the completed passport and email.
